3. Housekeeping

Vendor Management Services

If your organization has numerous vendors for reliant staffing, you can count on us to be your master vendor to handle your workforce across characteristics, solving your vendor management challenges.

Our solutions add value by delivering results that increase efficiency, transparency, manage spends, reduce costs and most importantly alleviate risks.

Packaging

We have the resources, experience, and expertise to take care of the whole thing – from concept to completion. When it comes to packaging, we simply do not believe in a ‘one size fits all’ solution. We’re always looking to push the limits of what is possible – either through the creation of innovative new products, or improved ideas to use existing materials. As a result, we have specialist team to meet the needs of our customers. From existing bulk-packaging facilities, through to bespoke cartons, printed tapes and composite foam. Swift and safe logistics have what it takes to handle the biggest and smallest of needs – now and in the future.

Corrugated boxes - here at swift and safe logistics, we offer an extensive range of quality corrugated boxes for a variety of commercial and industrial uses.

Whether you are looking for multipurpose single and double-wall corrugated boxes, customized pallet boxes for shipping or heavy-duty boxes for the removals industry, we have every-thing you need in a vast range of sizes and styles. We can also produce personalized corrugated boxes, made-to-measure against your exact specification.

Shrink-wrap & stretch films - keep your palletized goods safe and protected during shipment with swift and safe logistics’ excellent range of pallet shrink-wrap and stretch films.

Polythene - polythene bags or higher-clarity polyethylene wrap, swift and safe logistics is the clear choice every time.

We stock a huge range of high-quality polythene products perfect for use in the packaging industry – and can even offer made-to-measure and personalized printing services on a number of our items. We also carry a further range of polythene and plastic products suitable for removals and construction firms, including polythene covers and center-folded polythene sheets.

Tape - high-quality packaging tape is an essential for any post scope, packing floor or distribution center, and at swift and safe logistics, we have one of the best selections of tapes in the market.

From typical vinyl tape and masking tape to special low-noise tape for open work environments, we have a key to suit every kind of requirement – all available in a variety of measurements, roll lengths, and colours. Alongside our range of packaging tapes, we also offer dispensers and tape machines to help increase the efficiency of your operation.

Corner and edge protection - swift and safe logistics stocks and supplies a top-class range of corner and edge protectors for pallets, cartons, and appliances.

Our range includes solid board edge protectors, profile foam corner protectors and multipurpose plastic corner

protectors that can be expanded to fit all manner of shipment sizes. We also offer high-quality strapping edge protectors for use with our plastic pallet strapping.

Bubble sheet - once you have your cardboard cartons and sealing tapes sorted, it is time to think inside the box. Here at swift and safe logistics, we supply a wide range of high-quality bubble products that help to fill the vacuums around your box contents, providing excellent protection against damage in transit.

We have everything from basic bubble wrap and papers to polystyrene void-fill as well as a range of air bag machines, paper systems and foam-in-place systems that help you produce your own bubble materials on site.

Strapping and ties- swift and safe logistics is a leading supplier of pallet strapping solutions, stocking an excellent range of hand and machine strapping in a variety of materials, colours and roll sizes.

Whether you're in need of polypropylene hand strapping, polyester strapping or steel strapping, we can also supply all the seals, buckles and tools you need for easy and affective application.

Your Sincerely
